SMITHTOWN, NY – Steve Snair, the Democratic, Independence, and Working Families candidate for Smithtown town supervisor, released the following statement:

“I congratulate both Supervisor Vecchio and Councilman Creighton on tonight’s results. It’s great to see so many Smithtown residents participate in today’s primary elections. Now that the ballot in November is set, I look forward to continuing this campaign and having a lively debate with my opponents regarding our visions for the future of Smithtown. I am confident that over these next 8-weeks the voters will agree with my fresh and new ideas for Smithtown moving forward.”
