Climate Lobby Day

Date:

Tuesday, June 6, 2017 - 6:45am to 5:30pm
Long Island Action

NY Renews is a coalition of 109 labor, community, and environmental organizations across the state. We've banded together to try and pass the landmark Climate and Community Protection Act, a bill that would legally mandate the elimination of climate pollution in the state by 2050, while protecting frontline communities, and ensuring fair labor standards for [...]
