

# Smithtown Democratic Party

## General Membership Meeting

Tuesday, February 25, 2020

Time: 7:00 PM

First Presbyterian Church of Smithtown  
175 E. Main St. Smithtown, NY 11787

Dear Smithtown Democrats,

There will be a General Membership meeting of the Smithtown Democratic Committee at the First Presbyterian Church of Smithtown on Tuesday February 25, 2020, 7pm.

### **\*Important Committee Business\***

At this meeting we will be distributing the committee member and candidate petition packages. Ensuring that our committee stays full and that our candidates are on the ballot is the most important work we do as Smithtown Democrats. The effort can only be successful if everyone in the group brings in the required signatures for their election district (ED).

This year we are carrying our own Committee Member Petitions. These petitions are required if you are to remain a Smithtown Democratic Committee member or to join the party. Only committee members can vote in official party business including at nominating conventions and for the leadership of the town and county committees. It is imperative that the petitions for your ED are completed, for you and the candidates. If you are interested in joining the committee please email [smithtowndemocrats@gmail.com](mailto:smithtowndemocrats@gmail.com) and we will set you up with an ED package.

There will be a New Member Welcome with petition training on Saturday February 29<sup>th</sup> – 10am - 55 Plant Ave Hauppauge. Email [smithtowndemocrats@gmail.com](mailto:smithtowndemocrats@gmail.com) for more details.

Also at this meeting:

### **Meet the Candidates NY Congressional District 1**

*Presented by the Smithtown Democratic Action Committee*

Please join us and get to know our Democratic Congressional Candidates and their positions on important issues.

### **Bridget Fleming, Perry Gershon & Nancy Goroff**

The format will be a timed response panel presentation by each candidate, with a Q&A based on questions submitted by the Smithtown Democratic Action Committee and the audience.

The forum will be moderated by SDAC Chairperson Jan Singer, Esq. and will provide an informal opportunity to discuss your concerns.

If you have any suggestions for items to be on the agenda for this meeting or a recommendation for future guest speakers please send an email to: [smithtowndemocrats@gmail.com](mailto:smithtowndemocrats@gmail.com).
